SPECIAL OFFER

OF
Seeds of Choice Hardy Perennial Plants.

-X-

We offer fresh ripe seeds of the following named species of flowering plants. LOOK AT THE LIST! *Here are species offered never before listed by collectors.*

AQUILEGIA COERULEA ALBIFLORA, GRAY. A magnificent white-flowered variety. The flowers are enormous and pure glistening white. A choice acquisition. Supply limited. 1-8 oz 50c.; oz. \$2.00

A. FLAVESCENS, WATSON. Not so showy as the above, but has the merit of being a continuous bloomer. \$1.00 oz.

ACONITUM COLUMBIANUM, NUTT. Flowers ranging from dark to light blue. Choice perennial for moist places. 1-8 oz. 40c.; oz. \$2.00.

BALSAMORRHIZA SAGITTATA, NUTT. Oz. \$1.00

BERBERIS REPENS, LINDL. The true species, growing less than one foot high. Pound \$1.25, postpaid.

OENETHERA MARGINATA, NUTT. A beautiful low-growing evening primrose for dry sandy situations. Flowers large, white turning pink. Distributed by some dealers as *O. cæspitosa*. 1-8 oz. 20c.; oz. \$1.50.

LINUM LEWISII, PURSH. 1-8 oz. 20c.; oz. \$1.50.

RHUS TRILOBATA, NUTT. *A choice hardy shrub for untrimmed hedges. \$1.50 per pound, postpaid.*

RUDBECKIA OCCIDENTALIS, NUTT. *Rayless. Very curious and odd. 1-8 oz. 25c.*

PENTSTEMON CYANANTHUS, HOOKER. *A hardy perennial of exceptional merit, well worthy of cultivation. Flowers light luminous blue on a long stem in a compact spike. We recommend this plant with much confidence to our customers. 1-8 oz 25c.; oz. \$1.00.*

THALICTRUM FENDLERI, ENG. 1-8 oz. 25c. \$1.50 oz.
